## VISITORS INVITED

Electrics pass the Office every ten minutes. Stop at Dover St.

LONG DISTANCE TELEPHONE

**Springfield is the Central Station** of the Boston and Albany Railroad, on the New York Central line. It is the terminus of the New York and New Haven Railroad, of the New York and New England, and of the Boston and Maine. By these roads we can ship trees and plants in all directions without change or delay.

The American Express and the Adams Express deliver all orders at our office twice daily.

**This Season** has been one of frequent showers, with no lack of moisture at any time. With clean cultivation in every one of our various Nurseries, all of our trees and plants have made a fine growth. Ill-shaped and second-rate trees have been rooted out, land here being too expensive to be encumbered by any trees but the best we can produce. No vacant spaces allowed.

**WE GROW THE BEST  
DISCARD THE REST**

**The Stock** offered in this List is young, thrifty and clean. The State Inspector has personally examined our Nurseries, without finding any San José Scale. Our customers may expect to receive choice and healthy stock, and they will not be disappointed. The State Inspector's Certificate accompanies all shipments.

**No Guarantee.** While we exercise the greatest care to have all our trees and plants true to name, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty, expressed or implied; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

**Packing,** in bales or boxes, is done by skilled workmen, so that trees may travel hundreds of miles in safety. We charge only the cost.

**Purchasers Should Plainly State** by what route their goods are to be conveyed. Otherwise we will forward them by the best in our opinion; but we will not be responsible in any way for delay or damage in transit, or loss in after-cultivation.

**Any Errors Committed by Us** will be cheerfully rectified, if claims are made immediately.

**Terms, Cash With Order,** or satisfactory security before shipment. Money by mail may be sent as follows at our risk: By bank checks, payable to our order; by post office money order; by express money order; by registered letter. Two dollars or less in bank bills or post office stamps, in letters well sealed and plainly addressed to

*Electric and  
Long Distance Telephone*
